The Chancellor's Award for Student Excellence was created in 1997 to recognize students who have best demonstrated, and have been recognized for, the integration of academic excellence with accomplishments in the areas of leadership,

athletics, community service, creative and performing arts, campus involvement, or career achievement.

Each year, SUNY campus presidents establish a selection committee, which reviews the accomplishments of exemplary students. Nominees are then forwarded to the Chancellor's Office for a second round of review.

Finalists are then recommended to the Chancellor to become recipients of the award. Each recipient receives a framed certificate and medallion, which

is traditionally worn at commencement.
