

FACILITIES USE POLICY

I. Introduction

The primary purpose for the facilities at Suffolk County Community College is to fulfill the mission and vision of the College. The College is committed to being a vital resource to the larger community. Thus, subject to the guidelines set forth below, the College welcomes community groups and organizations to use its facilities for purposes compatible with the College's mission, as solely determined by the College.

II. General Guidelines Applicable to Use of All College Facilities and Properties

- A. Upon submission and approval of an *Application for Use of Facilities by External Organizations* form, as detailed below, a license agreement, which shall include the following provisions, among others, will be executed by both the external organization and Suffolk County Community College.

1. Insurance Requirements

All organizations must submit evidence of insurance coverage in accordance with College policy, including, but not limited to, comprehensive general liability insurance in the amount of \$2 million combined single limit for bodily injury and property damage per occurrence for the period of the proposed event.

If two or more organizations are sponsoring one event, either one may obtain the certificate, provided that the other organization is named as an additional insured on such certificate. If the event is co-sponsored by a College club, organization or department, the external organization will be required to provide a certificate of insurance. At the discretion of the College, occasional seminars and meetings of small groups may not require certificates of insurance.

All certificates of insurance must name both the College and the County of Suffolk as additional insureds. In certain circumstances, the Suffolk Community College Association, Inc. must also be included as an additional insured. All certificates of insurance must be reviewed by the College's Office of Legal Affairs before an organization's event can be approved.

2. Indemnification

Organizations shall indemnify and hold harmless the College, the Suffolk Community College Association Inc. (when appropriate) and the County of Suffolk, their consultants (if any), employees, agents and other persons from and against all claims, costs, judgments, liens, encumbrances and expenses, including attorneys' fees, arising out of the organization's use of the College facilities or out of the acts or omissions or negligence of the organization, its agents, employees or subconsultants in connection with the use of College facilities.

3. Reimbursement for Loss or Damage

Organizations requesting use of College facilities shall promptly make payment for the loss of or damage to any College facility resulting from the organization's use of the facilities. The Office of the College Director of Special Events and Programs shall inspect the facilities after the organization's event and, if applicable, will notify the organization of the payment due for any loss or damage. At the College's discretion, the College may require the organization to provide a security deposit prior to the event.

4. Facility Use Fees

a. Full payment for the use of all College facilities must be made in accordance with the Schedule of Fees adopted by the Board of Trustees and must be paid at least one week prior to the use of the facilities. Payment shall be made by check payable to Suffolk County Community College. Any event not timely paid in full may, in the College's sole and absolute discretion, be canceled.

b. Events Co-Sponsored by College Employees/Departments.

i. In accordance with the College policy, "Authorizing the Use of College Resources by Non-College Entities," when College employees or departments co-sponsor the use of facilities by an external organization, the external organization will be charged a reduced facility rental fee equivalent to fifty percent (50%) of the applicable fee(s) set forth on the Schedule of Fees.

ii. When a co-sponsored external organization utilizes College facilities for fundraising purposes, the external organization will be charged a reduced facility rental fee equivalent to seventy-five percent (75%) of the applicable fee(s) set forth on the Schedule of Fees.

5. Labor Charges

Charges for technical, maintenance, security or administrative personnel as a result of the event are the responsibility of the organization. These costs will be billed to the organization separately following the event and checks for this service shall be made payable to Suffolk County Community College. The College will determine, in consultation with the organization, the appropriate levels of staffing required to support the proposed event.

6. Event Publicity
