

SUCCESS

Starting @ Suffolk

Getting Your Start at Suffolk There are so many reasons why Suffolk County Community College is an ideal place to pursue your education. We provide affordable, quality higher education delivered in small class settings led by faculty with credentials from many of the country's most acclaimed institutions.

With 100 degree and certificate programs, as well as articulation and dual admissions agreements with many local and nationally renowned four-year schools, our students are able to pursue a wide variety of interests and transfer with full credit to a four-year

college or university to pursue a bachelor's degree. In fact, our graduates often save tens of thousands of dollars while going on to excel at some of the nation's most recognized institutions.

A Complete College Experience As the largest community college in the State University of New York (SUNY) system, you can count on Suffolk for a full collegiate experience. With recognized athletic programs, more than 90 student clubs, organizations and support services, you will have countless opportunities to grow both academically and personally.

Exceptional Education From enhancing the probability of success for students who need

extra support, to creating an academically challenging environment for the hundreds of students in our Honors Program, to working closely with area businesses to meet their current and projected workforce demands, Suffolk is dedicated to meeting the full needs of our students and valued communities.

Reaching Your Potential An education increases lifetime income. Nationally, median annual earnings among people 25 and older who have earned associate degrees or attended some college are 20% higher than for high school graduates. For Suffolk County residents, the difference is 23% per year

(U.S. Census Bureau American Community Survey 1-year estimates, 2012).

Financial Aid We are committed to providing our students with assistance to explore all available funding options. Each year, Suffolk awards more than \$63 million in federal and state financial aid to more than 18,000 students.

Scholarships Suffolk also offers a broad range of scholarships for incoming, existing and graduating students. In fact, the Suffolk Community College Foundation annually awards more than \$550,000 in student scholarships.

Transforming Lives

With campuses in Brentwood, Selden and Riverhead – and downtown centers in Sayville and Riverhead – we make it more convenient to achieve the future that you deserve. That's in addition to flexible scheduling options that give you the choice of classes in the early mornings, weekends or online.

Worth Knowing

- Suffolk is continually producing Phi Theta Kappa All-USA Academic Team members. What's more, our students receive SUNY Chancellor's Awards and other notable academic accolades each year.
- Suffolk has joint admission agreements with a wide range of SUNY and private four-year colleges and universities.
- Suffolk offers exciting co-op/internship programs so students can "test-drive" careers in a wide variety of environments, ranging from finance to healthcare to broadcasting and beyond.
- Suffolk is home to more than 100,000 alumni – with the majority living and working right here on Long Island. This results in great networking possibilities when you are ready to start your career.
- Suffolk was the first college in the country to have a digital planetarium offering state-of-the-art representations of the night sky. The College also has one of the largest observatory facilities on Long Island which is among the largest in New York State.
- Suffolk's Radio and TV Production Program has placed upwards of 1,000 graduates throughout the nation in jobs that involve all aspects of the broadcasting industry.
- Suffolk's Automotive Service Education Program receives donations from GM, Toyota, Honda, Volkswagen and many others, including a 2014 C7 black-on-black Corvette. The Corvette was named the 2014 North American Car of the Year.
- Suffolk's Workforce and Training Center partners with regional manufacturers with the goal of enhancing the local workforce market.
- Suffolk is home to the largest nursing program in New York State.
- Suffolk provides immediate training to veterans who are seeking to move quickly into the job market.

Theatre Receives Applause
Suffolk's theatre program and its productions have been recognized by the prestigious Kennedy Center American College Theatre Festival, and our alumni have gone on to distinguished careers in film, TV and on stage.

Athletic Excellence
We compete at the intercollegiate level in baseball, basketball, bowling, cross country, equestrian, golf, lacrosse, soccer, softball, tennis, track and volleyball. We also offer dance, cheer and intramural sports programs.

STEM Success Ninety-four percent of Suffolk's graduates from the National Science Foundation (NSF) scholarship program in Science, Technology and Mathematics (STEM) have transferred to four-year institutions to continue their studies. STEM scholars intern at Stony Brook University, Brookhaven National Laboratory and other nationally organized technology centers.

Incomparable Culinary
Suffolk offers the only accredited culinary arts program on Long Island, and our Culinary Arts and Hospitality Center is widely recognized as the premier culinary instructional facility on Long Island.

Personal Growth There's more to college than classrooms and textbooks. Suffolk has more than 90 student clubs and organizations, intercollegiate and intramural athletics, leadership development, theatre productions, musical performances, art exhibits, films, lectures and concerts. By getting involved in clubs and other activities, students get real-life, hands-on college experience.

The World Is Your Classroom
Suffolk offers exciting study abroad programs to enhance and expand your academic experience.

It was an absolutely rewarding experience. And the best part of my time at Suffolk was

finding out who I am – academically, socially and intellectually.
