President's Message

August 2017

Dear Student,

Welcome to Suffolk County Community College--the largest community college in the State University of New York (SUNY) system. Across our three campuses and two downtown centers, the College has a current enrollment of over 26,000 credit students and 10,000 continuing education students. With more than 70 degree and 30 certificate programs, we offer countless opportunities for students to grow both academically and personally.

I have every confidence that the accomplishments you will enjoy while attending the College will enable us to continue the fine legacy that greets your arrival. You will have so many opportunities here! As a comprehensive community college, Suffolk sees its primary purpose as providing access to high quality, cost-effective educational experiences that are designed to improve your career prospects and enhance the quality of life here on Long Island.

I encourage you to develop a clear, focused sense of what you would like to achieve. Our college community is here to help you as you determine where you would like to go and what you would like to do. Our faculty, staff, and administrators are constantly reviewing opportunities for enhancing the probability of success for our students. This means you have the advantage of attending college in a student focused and supportive teaching and learning environment.

Each year, the College educates tens of thousands of students who live on Long Island. Even after they graduate, more than 80% of them remain here. They live full lives, richer economically and academically, by having taken advantage of what we offer. Whether you start at Suffolk with the goal of transferring to a four-year institution after graduation or whether you need certain classes to enhance your career skills, you will find everything you need to succeed here at Suffolk.

Through education, comes transformation and economic empowerment. All of our work is centered on student success, which evolves from the dedication of our educators and the effort put forth by our students. As a result of an emphasis on student achievement, graduates of Suffolk emerge prepared for the next step in their academic and career pursuits.

I am confident that by choosing to attend Suffolk, you will be inspired to accomplish great things.

Dr. Shaun L. McKay

General Information

Academic Calendar

The College's Academic Calendar provides you with important information about dates of note within the academic year. These include, but are not limited to, when classes begin and end, holidays, dates for registration and priority registration, etc. The Academic Calendar can be found by accessing the following link: www.sunysuffolk.edu/explore-academics/academic-calendar.jsp

Academic Integrity

The College's Student Code of Conduct expressly prohibits "engaging in any form of academic dishonesty." While this code should be interpreted broadly and does not define such conduct in exhaustive terms, the following conduct clearly falls under the heading of academic dishonesty.

The term "academic dishonesty" includes, but is not limited to, cheating on an examination; plagiarizing, that is, the taking and passing off as one's own work the ideas, writings, or work of another, without citing the source; submitting work from another course unless receiving advance approval to do so by the instructor; stealing or possessing stolen examinations or course materials; posing as another person or allowing another person to pose as oneself; falsifying academic records; receiving help from others in work to be submitted, if contrary to stated course rules.

Academic Programs

For a current and complete listing of the College's majors and programs, please visit this link: www.sunysuffolk.edu/explore-academics/majors-and-programs/index.jsp

Accident Insurance

Under this policy, students are insured 24 hours a day while on or off campus and can claim reimbursement for all injuries within the limitations stated in the policy. Certain students, as determined by the College, will be automatically enrolled in the plan and the cost for coverage will be included on the student's semester bill. All full-time students, and the majority of part-time students, are among those who will be automatically enrolled.

There is also an accidental death benefit with specific exclusions. Claim forms and additional information are available at the Campus Health Services Office.

Association Advisory Committee

Each campus has a committee composed of students, faculty and administrators who meet to review requests and make recommendations to the Board of Directors of the SCC Association, Inc. on the use of the College Fee on that campus. The fee is used to support athletics, theatre, campus activities, student publications, child care programs and additional College programs. There is also a college-wide committee that addresses College Fee issues that concern all three campuses.

Athletics and Intramurals

Main Athletic Office (631) 451-4380

The athletic program is a vital component of the College's co-curricular offerings. Suffolk is a member of the National Junior College Athletic Association (NJCAA) – Division III, Region XV. Fire and Public Safety

The Public Safety staff is available to assist students, faculty, and staff with public safety issues and concerns. Public Safety will take reports on all crimes; accidents; and incidents. If necessary, Public Safety will involve outside law enforcement. Public Safety is charged with enforcing campus parking and other College policies. Public Safety is also responsible for environmental health; lab safety and fire safety. For further information visit the Office of Public and Fire Safety Web page at www.sunysuffolk.edu/experience-student-life/public-safety/index.jsp

Emergency Safe Havens, situated in designated building stairwells on campus, provide telephone access to Public Safety for reporting emergency or safety-related issues. Blue light emergency phones are located in several locations on all campuses. If you are uncomfortable walking on campus, call 451-4242 to utilize the campus escort service.

Public Safety is located at the following locations:

General Information

NY-Alert

Suffolk County Community College has implemented NY-ALERT, a service of the New York State Emergency Management Office.

This system will allow alerts to be sent directly to you in response to any event or situation which poses a campus safety concern. By enrolling in NY-ALERT, we will be able to reach you by telephone, text message, e-mail, or fax. Participation is encouraged, but completely voluntary. To sign on for this service, simply follow the instructions on the College's student portal (MySCCC) located at: www.sunysuffolk.edu/experience-student-life/public-safety/ny-alert/index.jsp. Your contact information will only be used for the purposes of keeping you informed through the NY-ALERT system and will not be shared with any other organization. For enhanced safety and security, enter your information today. During campus or area emergencies, students can check the College Web site regularly for updates.

Shark Alert

Suffolk County Community College has partnered with School Messenger, an automated service, to provide text messaging communications to the college community. By providing the College with a cellphone number where you can be reached, the College will use text messaging to inform you of the following:

- Campus Notifications such as building or road closures and power outages
- Enrollment procedures like registration, grading, scholarships and tuition reminders
- Events such as lecture series and athletic competitions

To receive these text messages you must identify the cellphone number you would like the College to use to send you text messages. You can do this in MySCCC by selecting the Update Phone link and following the steps to update or confirm your cellphone number(s).

Once you either confirm or update your cellphone number, you will automatically receive text messages. You must take the above actions as soon as possible in order to receive important information from the College via text message.

Note that NY Alert will remain the College's official emergency notification system.

Crisis Manager App

Students, faculty and staff can download the Suffolk County Community College Emergency Response Guide app on their smartphones and other mobile devices, to know what to do during an emergency such as a hurricane, criminal activity, fire, severe weather or after a sexual assault. Crisis Manager is a free app designed to help keep you safe and well on the College campus by making emergency information and contacts mobile and accessible on Android and iOS devices.

Installing Crisis Manager

Go to your smartphone or mobile device App store and search for SchoolDude CrisisManager. Download and install Crisis Manager on your Android, tablet, iPhone or iPad.

Accessing the Plan

Open the Crisis Manager app and touch Continue without logging in. Next, touch +Client Plans and then look for and select Suffolk County Community College's plan or search for "Suffolk County Community College" or "Suffolk College" to download. When finished, select the Emergency Response Guide, Suffolk County Community College. Content of the Emergency Response Guide will download to your mobile device.

If there is an occasion when you have to drive an unregistered vehicle onto the campus, you must obtain a temporary parking pass from campus Public Safety. Information on how to register your vehicle(s) can be found online at www.sunysuffolk.edu/experience-student-life/public-safety/parking-permits.jsp or at your campus Public Safety Office. Vehicles not registered that are ticketed will be cross-checked with the NYS DMV system and the owner of the car will receive the ticket.

All students, faculty, staff and administrators must have a valid parking permit in order to park on College property. Permits can be obtained online through the student or faculty/staff portal. Click on the parking permit link and follow the instructions for registering your vehicle; more than one vehicle can be registered with the College. After completing the registration process, a parking permit will be mailed to the address you provide. Permits are transferable to other vehicles. ALL vehicles must be registered with the College. For those persons who do not have access to a computer at home, computers are available at all campus libraries and computer laboratories.

Display of Permit

All parking permits are to be displayed in the front windshield on the lower right (passenger) interior side. Failure to properly display a permit may result in a summons being issued. The permit decal can be moved from one vehicle to another, so long as each vehicle has been properly registered with the College. Parking permits obtained through misrepresentation or other unauthorized means are void, and appropriate disciplinary action will be taken against offenders. Parking permits are issued to the person and not to the vehicle.

Guidelines for Student Academic Success

A college education, like all learning, should be a challenging and rewarding experience. Learning changes us, enhances our understanding of the world, forces us to make choices and take risks, and provides lifelong benefits.

Your academic attitude will make the difference. You share responsibility, along with your professors, for your education. These responsibilities include behaving courteously and respectfully toward your professors and your classmates and becoming self-disciplined in your learning. For a successful college experience you will need to:

- Attend all your classes
- Come to class fully prepared and ready to participate
- Meet the requirements established by the professor; listen, question and respond in class
- Allocate adequate study time - two to three hours of study for every hour spent in class
- Avoid last-minute cramming
- Create a weekly study schedule and study every day
- Make academic responsibilities a priority in your daily life

The faculty at Suffolk County Community College are dedicated to helping you learn. The College is designed to offer you opportunities to further your educational goals. Recognizing that abilities and experience vary, the College provides a wide range of supportive services to help you achieve your goals. In the final analysis, however, you must earn your grades through hard work, self-discipline and a personal commitment to learning. The rewards will be lifelong learning skills, self-confidence and the ability to achieve your personal goals.

Student Success Tips

1. **PURPOSE:** Form a strong, clear mental image of who you want to be.
2. **FLEXIBILITY:** Explore many worthwhile routes to your goal.
3. **OPENNESS:** Keep an open mind since your college education will introduce you to many new ideas, experiences and groups.
4. **EXCELLENCE:** Commit yourself to excellence.

6. **ATTITUDE:** Nurture and maintain a positive attitude. Your educational journey will include highs and lows.
7. **SELF-EVALUATION:** Be conscious of your strengths and weaknesses. Seek help before you need it.
8. **TIME:** Use your time wisely.
9. **PERFORMANCE:** Bear in mind that your college education constitutes a monetary investment in you by various groups in our society and government, as well as by yourself. A great deal will be expected of you.
10. **PRIORITIES AND FOCUS:** Prioritize commitments and stick to planned goals. See yourself continually moving forward, especially during difficult times.
11. **WELLNESS:** Respect, prize and take care of your body. It is one of your most important assets.

General Information

Guidelines for Classroom Decorum

An effective learning environment is essential to your success as a college student. Therefore, students in class will be expected to:

1. Arrive on time and be prepared for class to begin promptly at the scheduled hour. Lateness interrupts the intent and structure of the class presentation.
2. Take care of personal needs before or after class or during any class break. Leaving in the middle of class, unless there is an emergency, creates another disruption, no matter how discreet.
3. Turn off all audible sounds from electronic devices and/or cell phones.
4. Show respect for your classmates as well as your instructor by listening attentively, participating actively, and refraining from side conversations or other disruptions.
5. Use appropriate language when addressing classmates and the instructor during the class session.
6. Consult privately with the instructor when extenuating circumstances require special arrangements.
7. Students whose behavior in class is considered disruptive may be subject to disciplinary action described in the Student Code of Conduct.

Honor Designations

Dean's List. A student's outstanding scholastic achievement at Suffolk County Community College is recognized each semester by his or her inclusion on the Dean's List. Students whose semester grade point average is 3.5 or higher, with no incompletes, who have completed a minimum of 12 credit hours during the semester qualify for the Dean's List. This academic achievement is noted on the student's permanent record.

NOTE: Developmental courses do not qualify because they do not carry college-level credit.

Pi Alpha Sigma is a College honors designation. Each semester, students who have achieved a 3.5 cumulative grade point average, who have no incomplete grades, and who have completed at least 36 credits at Suffolk County Community College receive this designation. This academic designation is also noted on the student's permanent record.

Information Technology

Suffolk County Community College students are provided access to various information technology resources. Among these are computers in departments and general use labs, the MySCCC portal, Mobile App, e-mail accounts, and Internet connectivity both from on-campus facilities and available via the College's general purpose wireless network.

To provide these services, resources must be effectively and equitably managed. The following sections identify utilization responsibilities, account eligibility, and activation procedures.

Student Technology Responsibilities

The College uses e-mail and announcements sent to a student's MySCCC portal account as one of the methods to provide official notices and communications to students. The College expects students to regularly access and maintain their portal and e-mail account. Students are responsible for the information displayed in the portal and/or sent to their e-mail account.

A student's use of technology resources is governed by the College's Information Technology Policies and Guidelines. In addition, the Student Code of Conduct identifies certain prohibited behaviors and requires compliance with this policy. In general, the policy requires individuals to respect the rights of others, avoid activities that burden system resources and protect the integrity of the software and equipment. The policy

General Information

includes provisions on privacy, utilization monitoring and sanctions for violations.

The full text of this policy can be obtained at the Associate Dean of Student Services Office or accessed on the College's Web site. All technology users are responsible for knowing the College policies and adhering to the guidelines and restrictions contained in them.

Web-based Services and Internet Access Eligibility

The MySCCC portal, Mobile App, e-mail, on-campus Internet access and access to the wireless network are available at no cost to Suffolk County Community College students taking credit classes. Internet access is available from designated computers at the College and via the College's wireless network.

Online Account Procedures

Portal and e-mail accounts are self-activated by students. Access and expiration time frames vary dependent upon a student's enrollment status. For specific information on account policies and procedures, see the MySCCC FAQs at <http://www.sunysuffolk.edu/faq/faq.asp>

Upon expiration of a student's account, material left in an account will be deleted. Portal account credentials are also used to log in to student computers on campus. Use of these computers and the wireless network are subject to the acceptable use parameters listed in the College's policy referenced above.

Priority Registration

Each semester, the College facilitates registration by continuing students for the following semester during the Priority Registration period. All students are assigned a day to register according to the number of credits completed in their degree program. Students should plan to register on their assigned day in order to get the best selection of courses at the best possible times. They should also plan to meet with their faculty advisor, a faculty member in their department, or a counselor prior to their registration date for advice on course selection and degree completion. Registration may also be accomplished online through the portal.

Web Registration

Previously enrolled students and new students who have already registered, can register and pay their tuition online through the portal. Students in the developmental program and students on academic probation are required to obtain a signature from a faculty advisor prior to registration. All students are encouraged to meet with a faculty advisor prior to registering.

Student Identification Cards

All students are required to obtain and carry a College photo identification card. The ID card is needed to access library and computer center services, and for use with the College's meal plan. It must be presented in various College offices in order to receive services. Schedule and locations of ID card stations can be found on the College Web site. Replacement cards are available for a cost of \$12. Once the semester begins, registered students without a Suffolk County Community College ID card will be billed a \$25 card non-compliance fee and will be denied services until the card is obtained.

Photographs for ID cards are taken in the following locations:

Ammerman	Registrar's Office; Campus Activities, Public Safety

Transcripts and Grades

At the end of every semester, students can review an online report of grades earned that semester. Services related to official transcripts are provided in the Central Records Office located in the Annex building on the Ammerman Campus.

Tuition and Fees

Suffolk County Community College's operating costs are funded by tuition and fees paid by students, state aid provided by New York State and funding appropriated by Suffolk County.

The College charges full-time tuition to students who take twelve or more credits per semester, and part-time tuition to students who take fewer than twelve credits. Students who take less than twelve credits are charged on a per credit basis. The College has two tuition rates: resident tuition and non-resident tuition, which is double the resident tuition rate. Residents of Suffolk County pay resident tuition. Non-New York state residents pay non-resident tuition. New York State residents who live in other counties will qualify for resident tuition if they provide a Certificate of Residence; if they do not, they will be charged non-resident tuition. To qualify for resident tuition, a student must have legal residency of one year in New York and six months in Suffolk County. The legal residency of unmarried students under age 21 is that of their parents. The county of residence of newly discharged student veterans who are residents of New York State is the county in which they lived when they entered military service. Members of the armed forces of the United States on active duty who are stationed in New York State, their spouses and their dependents pay tuition as Suffolk County residents. Non-citizen Suffolk County permanent residents with permanent Resident Cards ("green cards") are charged resident tuition.

New York state residents who live in other counties may be eligible for resident tuition. To qualify, they must submit a Certificate of Residence from their home county fiscal officer prior to registration. Applications are available at the College's business office and also on the College's student portal (www.sunysuffolk.edu/mysccc). Students must file their applications with their home county's chief fiscal officer no more than two months before the start date of the next semester. A Certificate of Residence is valid for no more than one

General Information

year, after which a new one must be submitted. Non-Suffolk residents who do not comply with the Certificate of Residence requirement and non-Suffolk residents in the United States on a student visa who are ineligible for the Certificate of Residence are charged non-resident tuition. Tuition is refundable according to the College's refund schedule.

NOTE: The tuition deposit, which is applied to the payment of tuition, is nonrefundable.

An unused tuition deposit may be applied to the payment of tuition for a one-year period which will include the semester for which the tuition deposit was made. Payment of full-time tuition permits a student to register for 12-19 credit hours of course work in a semester. Special permission must be obtained from the Executive Dean in order to register for more than 19 credits in any semester. Each request is evaluated on the basis of its merit, including the student's prior academic records, and his/her commitments other than college. Tuition for the summer, intersession and other special sessions is based on the part-time tuition rate of \$203.00 per credit for Suffolk residents and \$406.00 per credit for non-residents. Other fees are applicable to the sessions as appropriate. The level of tuition rates for non-credit courses is, in general, similar for-credit course charges.

The following schedule of tuition and fees for Suffolk County Community College is in effect through the summer of 2018 and applies to all campuses and extension sites of the College.

Tuition and fees must be paid at the time of registration. In the event a course is canceled, tuition and fees for that course are refunded in full.

All tuition, fees and related refund policies are subject to change at the discretion of the College. The following tuition and fees are in effect for the 2017-2018 academic year:

SUNY Transfer Paths

The State University of New York (SUNY) has implemented the Seamless Transfer Initiative to assist students, who have obtained an A.A. or A.S. degree at Suffolk County Community College, to transfer to a SUNY four-year institution with junior status.

Seamless transfer is achieved by completing 7 of the 10 SUNY General Education Requirements and passing the required Transfer Path courses within the intended major with a minimum of a "C."

Transfer Paths include lower division course requirements that are common to all SUNY campuses with the similar major. Transfer Paths exist for many degrees at Suffolk County Community College. A list of the existing Transfer Paths can be found at www.suny.edu/attend/get-started/transfer-students/suny-transfer-paths to determine the courses that should be completed before transferring to the SUNY four-year institution.

Applying and Being Admitted

Eligibility

The College believes that liberal admission requirements are an essential part of its philosophy and, in that context, has maintained a Full Opportunity Program of admission for many years. Full Opportunity means that the College offers acceptance in an appropriate program to all applicants residing in Suffolk County who have graduated from an approved high school or hold the New York State High School Equivalency Diploma (or equivalent). Applicants over the age of 18 who do not meet these requirements should contact one of the

Student Codes and College Policies

campus admissions offices for alternate admission procedures under the Ability to Benefit (ATB) program. These procedures include the testing of the applicant and counselor review of all testing data and academic credentials prior to the admission process. Testing cut-off scores are utilized for admission purposes.

Students who wish to transfer to Suffolk County Community College from another college are accepted if they have left their previous institution in good academic standing. See section below for information regarding advanced standing credit. Some programs of study have special admission procedures and entrance requirements. Admission into these programs is based on factors such as completion of required prerequisites, grade point average, high school record, work experience and objective test data. For programs of study with competitive admission requirements, preference may be given to students who complete their prerequisite course work at Suffolk County Community College. In addition, Suffolk County residents will be given preference over residents of other New York State counties for admission into competitive programs in those cases where the program is available in the student's county of residence. Furthermore, applicants from outside New York State, including those from outside the United States, will be considered for admission to competitive/restricted programs only after the admission of all qualified Suffolk County and New York State applicants.

International Students

Admission of international students requires the issuance of a SEVIS I-20 to qualify for F-1 non-immigrant student status in the United States. For more information regarding Suffolk's international admissions application process and deadlines, visit www.sunysuffolk.edu/International.

International students outside of the United States may have their Suffolk County resident sponsor request a meeting with the International Counselor. International students are encouraged to file applications at least three months before the start of classes for both the fall and spring semesters.

Submitting Applications

Applicants for admission with matriculated status in a degree program should submit a completed application to:

Central Admissions Office
Suffolk County Community College
533 College Road
Selden, New York 11784-2899

Applications are available at all Suffolk County high schools as well as the Admissions Offices at Suffolk's three campuses in Selden, Riverhead and Brentwood, or apply online at www.sunysuffolk.edu.

In addition, applicants should arrange to have official copies of their final official high school transcripts, along with official transcripts from any previous colleges attended, sent to the Central Admissions Office. Results of the ACT and SAT, if available, should also be forwarded to the Central Admissions Office.

Application Deadlines

The application deadline for new students is one week prior to the start of classes for both the fall and spring semesters. Nevertheless, applicants are urged to file their application by November 1 for spring admission and April 1 for fall admission in order to assure early consideration of their application and the greatest selection of program and course offerings. In addition, the following programs admit freshmen for the fall semester only and give preference to applications received by January 15:

Nursing
Occupational Therapist Assistant
Physical Therapist Assistant
Veterinary Science Technology

Transfer students may, on a case by case basis, be accepted for the spring into competitive programs.

Student Codes and College Policies

Matriculation

Matriculated status is granted to every student who is admitted into a degree program at Suffolk County Community College. Matriculation assures a student that the requirements for a particular degree program which are in effect at the time of matriculation will remain in effect until that student graduates. A student's matriculated status may be rescinded as stated under "Academic Standing." In addition, students matriculated in programs with limited seat availability will lose their matriculated status during any semester of non-attendance (excluding intersession and summers). Programs with limited seat availability include: American Sign Language; Automotive Service Specialist; Early Childhood Education; Nursing; Occupational Therapy Assistant; Physical Therapist Assistant and Veterinary Science Technology.

Matriculated students may attend classes on a part-time (1-11.5 credits per semester) or full-time (12 or more credits per semester) basis and may schedule their classes during the days, evenings or weekends on any of the College's three campuses.

Note: to be eligible for financial aid, students must be matriculated and taking courses required for or applicable to their current degree program.

Non-Matriculated Status

Non-matriculated status is granted to any student who wishes to take classes at Suffolk County Community College but who has not been admitted into a degree program. Non-matriculated students can register for 1 through 11.5 credits per semester and are not eligible for financial aid. Non-matriculated students who wish to be admitted to a degree program should follow the admission procedures for matriculated status.

Bias Crimes Prevention

It is a Suffolk County Community College policy to protect all members of the college community by preventing and prosecuting bias or hate crimes that occur within the College's jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activity motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, gender, sexual orientation, or disability. These crimes are covered under the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485).

Penalties for bias-related crimes are very serious and can range from fines to imprisonment.

Perpetrators who are students will also be subject to the student conduct process where sanctions including suspension and/or expulsion are possible.

Suffolk County Community College is also committed to addressing bias-related activities that do not rise to the level of a crime. Bias-related incidents are defined as acts of bigotry, harassment, or intimidation directed at a member or group within the college community based on race, color, national origin, religion, creed, age, disability, sex, gender identity, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction. Bias incidents can be reported to Public Safety, and the Campus Associate Dean of Student Services.

If you are a victim of, or witness to, a hate/bias crime on campus, report it to Public Safety, use an emergency phone, or contact the Campus Associate Dean of Student Services.

Victims of a bias crime or bias incidents can avail themselves of counseling and support services from the campus Counseling Center. In an emergency, contact Public Safety to make a report 24 hours a day/7 days a week by calling (631) 451-4242 or dialing 311 from any College phone.

More information about bias-related crimes, including up-to-date statistics can be found on the College's Web site at www.sunysuffolk.edu/experience-student-life/public-safety/documents/Safety.pdf or from the College Director of Public and Fire Safety.

Classroom Disruption

Disruptive Behavior: Substantial disruption of College operations, including obstruction of teaching, administration, other College activities, and/or other authorized non-College activities which occur on campus.

In general, classroom disruption generally refers to behavior a reasonable person would view as substantially or repeatedly interfering with the conduct of a class.

Common Disruptive Behaviors

Classroom disruptive behaviors may include:

1. students who routinely enter class late or depart early or repeatedly talk in class without being called upon;
2. students who continually ask the professor questions with the intent to interrupt lectures and gain attention to themselves;
3. students whose cell phones repeatedly ring and/or emit an audible sound during class or students who repeatedly text during class;
4. students who intimidate or harass the professor;
5. students who threaten a professor, participate in a physical display of anger, or verbally abuse a faculty member.

Faculty Rights

Suffolk County Community College respects the rights of faculty to teach and students to learn. To ensure these rights, faculty members have the prerogative:

1. to establish and implement academic standards;
2. to establish and enforce reasonable behavior standards in each class;
3. to remove a student from a class for one class meeting, and, in those cases where the continued presence of the student poses a substantial threat or would be disruptive to the class, request that the Associate Dean of Student Services impose an interim suspension pending a disciplinary hearing.

College Procedures for Classroom Disruptions

A faculty member may bring charges of misconduct against a student for disruptive behavior. College policy dictates that allegations of student misconduct will be adjudicated through the use of the Student Code of Conduct. Please refer to the Student Code of Conduct and Student Conduct Process for a comprehensive description of policies and procedures related to student behavioral issues.

For a complete copy of the Classroom Disruption brochure and to answer any questions, contact the Office of the Associate Dean of Students Service or the Office of the Campus Executive Dean.

Official E-mail and Portal Policy for Students

Suffolk County Community College's official Web-based student portal (MySCCC) and student email accounts are an official means of communication to all students enrolled in credit-bearing classes. All such students are required to activate their MySCCC portal and email accounts. Official College communications may include, but are not limited to, registration information, financial aid information and other financial statements, student health compliance information and academic progress notifications.

The College expects that students shall receive and read their electronic communications on a frequent and timely basis. Failure to do so shall not absolve the student from knowing of and complying with the contents of all electronic communications, some of which will be time-critical.

Students may choose to redirect their email. However, the College is not responsible for the handling of

Student Codes and College Policies

e-mail by outside vendors, nor can it provide technical support for setting up mail-forwarding configurations or use of external mail readers. If e-mail is lost as a result of forwarding, students are not absolved from the responsibilities associated with communications sent to their official College e-mail address.

Course Grade Grievance Procedure

A Course Grade Grievance Procedure is available to resolve student grade grievances regarding a grade recorded on the transcript. This procedure shall apply when a student believes that there has been a violation of a specific policy or procedure as stated in the college catalog or course syllabus which adversely affects the student's final grade.

To begin this procedure, the student must obtain a Course Grade Grievance Form.

Procedure

First

The student should first discuss the grievance with the faculty member involved in an attempt to resolve the grievance within the first three (3) weeks of the following semester.

Second

If the student and faculty member cannot reach an agreement regarding the grievance, the student must then meet with Academic chair of the particular department before the end of the fifth week of the semester in which they are grieving the grade. The Academic Chair will examine the basis for the grievance, discuss it with the faculty member and the student, and make a recommendation within ten (10) calendar days of meeting with the student and faculty member.

If the department chair is the party against whom the grievance is brought, the student should move to the third step of the procedure.

Third

If no agreement is reached at the second stage, the student must present his or her case in writing to the appropriate Associate Dean of Academic Affairs within seven (7) calendar days of receiving the recommendation from the Academic Chair.

The student's written grievance statement should include:

- A completed copy of the Course Grade Grievance Form.
- The name of the faculty member and the course number.
- A copy of the course syllabus.
- A description of the alleged action(s) that led to the grievance.
- Any supporting documentation related to the grievance.
- A statement of a desired outcome by the student.
- The grievance must be dated and include the student's signature along with the student's identification number.

Within ten (10) business days of receiving the written formal grievance, the Office of the Associate Dean of Academic Affairs will contact the student to schedule a meeting with the student to discuss the grievance. Within ten (10) calendar days of meeting with the student, the Associate Dean will schedule a meeting with the Academic Chair and the faculty member to discuss the grievance. The recommendation of the Associate Dean will be given to the student, faculty member, and academic chair within ten (10) calendar days of the meeting between the faculty member, the Academic Chair and the Associate Dean.

Student Codes and College Policies

Fourth

If the student, the faculty member, the academic chair and the associate dean are unable to resolve the grievance in stage three, the student may present his or her case to the Executive Dean. This shall be done in writing within seven (7) calendar days of receiving the recommendation of the Associate Dean of Academic Affairs. The student's written request must include a copy of the Course Grade Grievance Form, a copy of their written grievance from stage three, as well the recommendations of the Academic Chair and the Associate Dean; and reasons why the student is dissatisfied.

Within ten (10) calendar days of the receipt of the student's written request, the Executive Dean may convene a committee to hear the grievance. The Grade Grievance Committee will be composed of two faculty members (one chosen by the Executive Dean and one chosen by the Associate Dean of Student Services), of whom at least one must be outside the faculty member's discipline, and one student who shall be selected by the Associate Dean of Student Services. The Grade Grievance Committee will choose a Chair, and the Chair will notify the student and the faculty member of any additional documents required. After receiving any additional documents, the Chair of the Grade Grievance Committee will notify the faculty member and the student of the hearing date. Within ten (10) calendar days of the hearing, the Grade Grievance Committee will send its written recommendations to the student, the faculty member, the Academic Chair, the Associate Dean of Academic Affairs and the Executive Dean.

Please note that the recommendations of the Academic Chair, the Associate Dean of Academic Affairs and the Grade Grievance Committee are only advisory since the ultimate responsibility for awarding the grade is the instructor's.

A written record of the grievance process shall be kept on file in the Office of the Executive Dean for a period of six (6) years. All documents submitted concerning the grievance and all deliberations of the Grade Grievance Committee will remain confidential.

DEADLINES

For a grade received during the Fall semester or Winter Intersession, the "following semester" is considered the following Spring semester. For a grade received during the Spring semester or Summer sessions, the "following semester" is considered the following Fall semester.

Failure by the student to adhere to the procedural deadlines will result in a withdrawal of the grievance.

CIVIL RIGHT VIOLATIONS

It is not the function of the Grade Grievance procedure to evaluate claims of civil rights violations. If the basis of a student's grade grievance is that their civil rights have been violated, such as sexual harassment or discrimination, then contact the Office of Legal Affairs.

INSTRUCTOR ABSENCE

In situations where the grieved instructor of record is unavailable, then contact the Academic Chair of the particular department.

Grading System

Semester grades are available to students on the student portal (MySCCC) at the close of each semester. The instructor's analysis of each student's academic achievement will be in accordance with the following grading system:

A	90%-100%	C	70%-74%
B+	85%-89%	D+	65%-69%
B	80%-84%	D	60%-64%
C+	75%-79%	F	59% or below

Student Codes and College Policies

INC = INCOMPLETE

Students who are ill or are unable for other valid reasons to complete the semester's work may at the discretion of the instructor receive an INC on their transcript. All work must be completed within the first four weeks of the subsequent semester; otherwise the INC will automatically become an F.

S = SATISFACTORY

This grade is given only for developmental courses, which do not satisfy degree requirements: RDG008, RDG009, RDG096, RDG099, ENG009, ENG010, ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, ESL018, MAT001, MAT 001L. S grades are not used in grade point average computations.

SA,SB,SC

These grades are used for MAT006, MAT007, MAT 007L, MAT 009 only, which are developmental courses and do not satisfy degree requirements.

SA = 90%-100%

SB = 80%-89%

SC = 70%-79%

S grades are not used in grade point average computations.

W = WITHDRAWAL

A student may withdraw from a course and receive a W any time up to the mid-semester date of that semester or term. After the mid-semester date, the grade awarded shall be at the discretion of the instructor.

U = UNSATISFACTORY

This grade is given only for developmental courses, which do not satisfy degree requirements: MAT001, MAT001L, MAT006, MAT007, MAT007L, RDG096, RDG098, RDG099, RDG009, ENG009, ENG010, ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, ESL018. U grades are not used in grade point average computations.

R = REPEAT

This grade is given only for developmental courses, which do not satisfy degree requirements: MAT001, MAT 001L, MAT006, MAT007, MAT007L, MAT009, RDG096, RDG098, RDG099, RDG009, ENG009, ENG010, ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, ESL018. The R grade indicates the need for a student to re-register for the same course in a subsequent semester, usually because the student, while making progress in that course, has not yet completed all the course requirements. R grades are not used in grade point average computations.

AUD = AUDIT

A student wishing to audit a course must register and pay for that course in accordance with normal registration procedures. When a student audits a course, a grade of "AUD" will be recorded and no academic credit will be given. An auditor, by definition, is not required to take tests, write term papers or submit homework assignments, but is expected to participate in class to the extent deemed reasonable and necessary by the instructor. A student must inform the instructor at the first class meeting of his or her intention to take the course on an audit basis. Once this intention is stated, the student may not change from audit to credit status. Because some courses may be inappropriate for auditing, students should consult with the appropriate academic administrator before registering.

NOTE: Audited courses are not eligible for financial aid. Seniors: Suffolk County residents 60 years of age or older pay fees and no tuition.

Student Codes and College Policies

Academic Standing

Students are considered to be in good academic standing unless they have been dismissed from full-time status or their matriculation status has been rescinded.

Grade Point Averages

A system of points is used to assess the quality of each student's work for a semester or more and is computed as a cumulative grade point average. Grades earned by students have a numerical quality value as follows:

Grade	Quality Points Per Credit Hour
A	4.0
B+	3.5
B	3.0
C+	2.5
C	2.0
D+	1.5
D	1.0
F	0

A cumulative grade point average is computed by dividing the total number of quality points received by the number of credit hours earned. For example, a student who has earned 30 credit hours and has received a total of 60 quality points has a cumulative grade point average of 2.0. The following factors must also be taken into consideration:

- a. When transfer credits are granted for courses completed at another college, no quality points or grades are awarded; hence, such credits do not affect the cumulative grade point average at SCCC.
- b. A course may be repeated one time. When a course is repeated, the cumulative grade point average is computed using only the second course and credit hours received by the student for that course; the previous grade and credit hours are retained on the transcript but are not computed.

Late Registration

Late registration (for students without a current schedule) includes a late registration fee and begins one week prior to the official start of each session (day, evening, Saturday/Sunday) and continues through the first week of classes. Late registration for a course is only permitted up until the course is scheduled to hold its first class meeting. Exceptions to this policy may only be approved by the College's Chief Academic Officer or designee.

Add/Drop Period

Students with a current class schedule are not charged a late fee to modify their existing schedules during the add/drop period. Some course offerings will not permit enrollment after the first class meeting. The College's Chief Academic Officer or designee will determine on a college-wide basis which courses will not admit students after the first class meeting based upon recommendations made by the Campus Executive Deans. Otherwise, students are permitted to add a class up until the start of a class's second week (e.g. prior to the third session of a class that meets twice a week and the second session of a class that meets once a week). Exceptions to this policy may only be approved by the College's Chief Academic Officer or designee.

Any student who enters a class after the first meeting, regardless of reason, is accountable for all course requirements including assignments and attendance.

A student may drop a course during the first three weeks of the semester during the official refund period. These courses will not appear on a student's official transcript.

Medical Leaves

Policies and Procedures

A Medical Leave may be granted, upon request, to any matriculated student who is unable to attend classes for an extended period of time due to a documented illness, injury, or medical or psychological condition. Under the aforementioned circumstances, a Medical Leave may be granted to a student who is forced to withdraw during a semester as well as to a student who is unable to enroll in a subsequent semester.

To request a Medical Leave, students should follow the procedure outlined below.

1. Request a Medical Leave, in writing, from the Campus Associate Dean of Student Services. The request must indicate the medical reason and the period of the leave. Documentation by a physician or other appropriate health care provider is required.
2. In the event that a student is incapable of requesting a leave him/herself, the request may be submitted by a parent, spouse, or other appropriate individual. In such cases, documentation of the student's incapacity must be provided by the appropriate health care provider.
3. The Campus Associate Dean of Student Services shall have the final authority to determine whether the request for a Medical Leave is granted. All such determinations shall be made in writing.
4. In the event that a Medical Leave is granted, the Associate Dean shall:
 - a. complete the class withdrawal process for the student (i.e., if initiated and not previously completed); and
 - b. authorize a leave of absence for the student from the Admissions Office (i.e., if the student is enrolled in a restricted curriculum with limited seat availability).
5. Note that being granted a Medical Leave during a semester does not mean that a student's grades or financial aid will not be negatively impacted, nor does it mean that the student will be entitled to a tuition refund. Accordingly, students should be aware that existing policies will be followed in making these determinations. Whenever possible, students are strongly encouraged to determine the consequences of withdrawing during a semester before requesting a Medical Leave.

Medical Suspension

Suffolk County Community College strives to promote the health and safety of all members of the college community by providing services in the areas of student health, counseling, and public safety and by enforcing student conduct regulations. In accordance with law, and in order to ensure that the institution and its members may carry out their proper activities without substantial interference or danger of physical harm, the College has implemented its policy and procedures for the medical suspension of students.

A student may be subject to medical suspension if it is determined that the student is suffering from a physical, emotional, or psychological condition, and, as a result of this condition, engages, threatens to engage, or may engage in behavior that:

1. reasonably poses a danger or threat of causing physical harm to others; and/or
2. substantially impedes the lawful activities of other members of the campus community, or the educational processes, activities or functions of the College or its personnel.

The complete Medical Suspension Policy is available on the College Web site at http://depthome.sunysuffolk.edu/LegalAffairs/Docs/BOTPolicies/F8_Medical_Suspension_Policy_updated_081715.pdf.

Refund Policy

All tuition and fee charges are the responsibility of the student. If there are changes to students' schedules, financial aid awards or third party support after paying the bill, a refund check or a bill will be mailed.

The College processes all refunds by check, regardless of how bills were paid. Refunds are issued after the refund period ends. If a student's account changes and they owe the College additional money, they will be billed.

Student Codes and College Policies

When a student officially drops a class during the Drop/Refund period, the charge for tuition and fees will be adjusted according to College and SUNY policy. This may or may not result in a refund. Students can officially drop online at my.sunysuffolk.edu or in person at a campus Registrar's Office. Please consult the hours of operation of the Registrar's Office and MySCCC to complete your transaction. Non-attendance in a course, verbal communication with College offices or instructors, stopping payment on a check or disputing a credit card are NOT official ways to drop classes. Students cannot drop a class or receive a refund after the applicable refund period ends.

Refunds reduce charges on the account and are not based on what was paid. They are calculated from the start date of the session, not the start date of the classes that a student is registered for. Certain fees are not refundable. Visit the College home page at www.sunysuffolk.edu for more information. After officially dropping a class(es), the charges on the student account are re-calculated and the College either refunds or bills the student for the applicable amounts.

The posting of any information, commercial or non-commercial, is prohibited on walls, doors, glass, hallways, vending machines or kiosks.

Student Codes and College Policies

Sexual Violence, Sexual Harassment Prevention and Title IX

Suffolk County Community College prohibits sexual harassment and sex discrimination including sexual violence, domestic violence, dating and intimate partner violence, stalking, sexual coercion or other threats of violence or intimidation. These can be verbal, non-verbal, physical, written or electronic (i.e. text or social media) and may be committed by or against any individual, regardless of gender, sexual orientation or gender identity.

The College is committed to providing options, support and assistance to victims/survivors to ensure they can continue to participate in college-wide and campus programs, activities and employment. The College has prevention, training and educational programs in place to protect all members of the college community. These include information about how to report, on and off campus resources, rights and responsibilities. Students have rights, regardless of whether the crime or violation occurs on campus, off campus, or while studying abroad. The "Student's Bill of Rights" is located on the College Web site: http://depthome.sunysuffolk.edu/LegalAffairs/Docs/BOTPolicies/sccc_sexual_violence_bill_of_rights_flyer_current.pdf

Options for reporting sexual violence/sexual harassment

All students have the right to make a report to Public Safety, local law enforcement and/or State Police or choose not to report; to report the incident to the College; to be protected by the College from retaliation for reporting an incident, and to receive assistance from the College. Contact Public Safety at any time by calling (631) 451-4242.

In case of emergency, call 911 to contact local law enforcement.

To contact the New York State Police/Campus Sexual Assault Victims Unit 24-hour hotline call 1-844-845-7269.

If you are a victim of sexual violence, the College has a trained team from Student Affairs, Public Safety, and the Title IX Coordinator and Deputy Coordinators. This team provides information to you about your rights, notifies you about resources, and offers reasonable interim measures, such as a change in schedule, a no-contact order or other actions. Anyone who experiences, observes, or hears about an incident should report it to the Title IX Coordinator at 631-451-4950. The Title IX Coordinator oversees the complaint process, answers questions, and offers assistance and services to anyone experiencing harassment, discrimination or sexual violence. Policies and procedures apply to students, faculty, staff, visitors and guests and are located on the College Web site at: <http://department.sunysuffolk.edu/LegalAffairs/5122.asp>

Mental Health Services coordinators and Student Health Services are privileged and confidential resources that will not report crimes to law enforcement or College officials without your permission, except for extreme circumstances, such as a health and/or safety emergency. To review the College's "Sexual Violence Response Policy" and "Policy for Options for Confidentially Disclosing Sexual Violence" see the College Web site: <http://department.sunysuffolk.edu/LegalAffairs/5122.asp>

What to do if you are a victim of sexual assault

- Get to a safe place. For example, someone's home, the nearest hospital or police precinct.
- Preserve physical evidence. If at all possible, do not bathe, change clothing, throw any clothes away, use the restroom or brush your teeth.
- Call 911 to be taken to an emergency room for medical care and/or for immediate police protection and assistance. Tell the 911 operator what has happened and request to be sent to a Sexual Assault Sexual Assault Forensic Examination (SAFE) center. SAFE services are considered the best and most victim-centered approach to acute health care for sexual assault patients. Within 96 hours of an assault, you can get a Sexual Assault Forensic Examination. You will receive a complete medical evaluation, including a physical examination, treatment, evidence collection, and counseling.
- Talk to someone you trust and seek counseling. The campus Mental Health Coordinators can refer

Student Codes and College Policies

you to an advocate that can discuss your options and refer you to other services. Victims of a sexual assault often feel guilt, anger, fear or grief. Trained professionals will help you deal with the physical and psychological trauma that you have experienced. Medical services are also provided through Student Health Services. All identifying information is confidential.

- Call the police. Sexual Assault is a crime. Suffolk County Community College strongly recommends that all crimes be reported to local law enforcement. Law enforcement personnel can take a formal report at the hospital. It is critical that all information and evidence be obtained as soon as possible. Victims do not need to make the decision to press charges at the time of the report.

Sexual Violence and the Law

New York State Law contains legal provisions defining the crimes related to sexual violence. The College's Annual Security report is updated annually according to federal law and lists important definitions related to these and other crimes. To review them, visit the College Web site at: www.sunysuffolk.edu/experience-student-life/public-safety/documents/Safety.pdf and review Appendix II and III.

There are significant differences between the College disciplinary process and the criminal justice process. For a summary of these differences in plain language see: <http://system.suny.edu/media/suny/content-assets/documents/sexualviolenceprevention/College-and-Criminal-Process-Resource.pdf>

Accommodations for Pregnant and Parenting Students

Suffolk County Community College is committed to creating an accessible and inclusive environment for pregnant and parenting students.

Title IX of the Education Amendments of 1972 prohibits discrimination based on sex in education programs or activities including academic, educational, extracurricular, athletic, and other programs or activities of schools. This prohibition includes discrimination against pregnant and parenting students. Pregnant and parenting students at the College will not be excluded from any class, activity, or program (including career and technical education) on the basis of sex, pregnancy, childbirth, false pregnancy, termination or pregnancy or recovery therefrom.

What types of accommodations may I request?

Pregnant or parenting students may request reasonable accommodations when necessary because of pregnancy or parenting status, which, depending on the student's individual needs and circumstances, may include:

- A larger desk
- Breaks during class, as needed
- Permitting temporary access to elevators
- Rescheduling tests or exams
- Excusing absences due to pregnancy or related conditions
- Submitting work after a deadline missed due to pregnancy or childbirth
- Providing alternatives to make up missed work
- Allowing excused absences for parenting students (both male and female) who need to take their children to doctors' appointments or to take care of their sick children

How do I request accommodations?

Accommodation requests should be directed to one of the College's Title IX Coordinators. The Title IX

Student Codes and College Policies

Coordinator will discuss the pregnant or parenting individual's needs, and will ask for documentation that supports the requested accommodations.

Requests from students should be directed to the Associate Deans of Student Services/Deputy Title IX Coordinators:

Students with Felony Convictions

Effective for the recruitment cycle for the 2018 academic year (beginning on January 1, 2018), State University of New York (SUNY) policy prohibits Suffolk County Community College admission applications from inquiring into an applicant's prior criminal history. After acceptance, the College shall inquire if the student previously has been convicted of a felony if such individual seeks participation in clinical or field experiences, internships or study abroad programs. The information required to be disclosed under SUNY policy regarding such felony convictions shall be reviewed by a standing College committee consistent with the legal standards articulated in the New York State Corrections Law.

Students who have previously been convicted of a felony are advised that their prior criminal history may impede their ability to complete the requirements of certain academic programs and/or to meet licensure requirements for certain professions, including, but not limited to:

- Sitting for the National Physical Therapy Examination (NPTE) required for certification and employment as a physical therapist assistant in New York State;
- Becoming certified in New York as a physical therapist assistant;

Student Codes and College Policies

- Sitting for the national certification examination for occupational therapy assistant administered by the National Board for Certification in Occupational Therapy (NBCOT);
- Attaining licensure in New York State as an occupational therapy assistant;
- Taking the licensing examination for licensure as a practical nurse or registered nurse; and
- Obtaining New York State licensure as a practical nurse or registered nurse.

Students who have concerns about such matters are advised to contact the department chair of their intended academic program. Applicants and students with criminal convictions who are interested in pursuing a program leading to professional licensure or certification are also encouraged to consult with the appropriate licensing/certification authority.

Tobacco Products

On August 27, 2015, Suffolk County Community College officially became tobacco-free. In order to provide a clean and healthy environment for all students, employees and visitors, the College implemented a tobacco-free policy that will:

- Protect Suffolk students, faculty, staff and visitors from unwanted and involuntary exposure to tobacco and passive smoke;
- Prohibit the use of all tobacco and tobacco-derived products on all College grounds;
- Provide resources for tobacco users to get the help they need to quit for good.

We encourage all individuals who use tobacco and tobacco-derived products to access smoking cessation programs and services at the College's Health Services Offices. We invite tobacco users to review the tobacco-free policy and explore the many resources available at www.sunysuffolk.edu/tobaccofree. This policy shall be strictly enforced and violators will be subject to conduct procedures outlined in the Student Code of Conduct, and/or fines.

Accommodations are determined on a case-by-case basis based on both the student's needs as described in their disability documentation and the technical academic standards of their course or program. Students who need accommodations must submit written documentation of their disability to their home campus' Office of Disability Services.

Cassandra

Cassandra is the Michael J. Grant Campus literary magazine. Its title derives from a figure in Greek mythology, Cassandra, who was given the gift of prophecy by the Greek god, Apollo.
