

Get Your Start at Suffolk

Suffolk
COUNTY COMMUNITY COLLEGE

Get Your Start at Suffolk There are so many reasons why Suffolk County Community College is an ideal place to pursue your education. We provide affordable quality higher education, delivered in small class settings, led by faculty with credentials from many of the country's most acclaimed institutions.

With 100 degree and certificate options, as well as articulation and dual admissions agreements with many local and nationally renowned four-year schools, our students are able to pursue a wide variety of interests and transfer with full credit to a four-year college or university to pursue a bachelor's

degree. In fact, our graduates often save tens of thousands of dollars while going on to excel at some of the nation's most recognized institutions.

An Exceptional Education From enhancing the probability of success for students who need extra support, to creating an academically challenging environment for the hundreds of students in our Honors Program, to working closely with area businesses to meet their current and projected workforce demands, Suffolk is dedicated to meeting the full needs of our students and valued communities.

A Complete College Experience As the largest community college in the State University of New York (SUNY) system, you can count on

Suffolk for a full collegiate experience. With recognized athletic programs, more than 150 student clubs, organizations and support services, you will have countless opportunities to grow both academically and personally.

Transferability Suffolk County Community College prepares students for transfer to four-year colleges and universities. We are proud to say that our students routinely transition to a variety of baccalaureate programs at public and private colleges and universities on Long Island, around New York State, and throughout the nation. Articulation agreements or partnerships with four-year schools for certain programs of study ensure a continuous pathway and provide a simplified,

guaranteed transfer process for students.

Financial Aid We are committed to providing our students with assistance to explore all available funding options. Each year, Suffolk awards more than \$60 million in federal and state financial aid to more than 16,000 students.

Scholarships Suffolk also offers a broad range of scholarships for new, continuing and graduating students. In fact, the Suffolk Community College Foundation awards hundreds of thousands of dollars in scholarships each year.

Transforming Lives

*Health, Sports and Education Center
Michael J. Grant Campus, Brentwood, NY*

*Montaukett Learning Resource Center
Eastern Campus, Riverhead, NY*

With campuses in Brentwood, Selden and Riverhead — and downtown centers in Sayville and Riverhead — we make it more convenient to achieve the future you deserve. That's in addition to flexible scheduling options that give you the choice of classes in the early morning, day, evening, weekend or online.
