Section 2 - Affirmation

By signing this document, I understand that I am making a housing arrangement commitment in which no type of service is required in exchange for this benefit. I understand that a sponsor who fails to provide promised support may cause pain and suffering to the student, including forcing them to stop attending school and exit the United States. I do not expect the student to be able to support him or herself through employment. Employment for students is limited and strictly controlled by the United States Citizenship and Immigration Services. For more information on F-1 student employment eligibility, visit USCIS.gov.
