Register Now… “Late Start” Schedule Begins October 7!

Achieving academic goals is rarely easy. Throw in a pandemic and an economic crisis and it’s understandable if these issues have made you hesitate or left you feeling stuck.

At SUNY Suffolk, you can find your future. In addition to offering the lowest college tuition on Long Island, our “Late Start” schedule begins October 7 and runs through December 23. It provides an opportunity to get started – or continue – toward your degree.

Classes will be offered through remote learning and our Late Start counselors and advisors are ready to find classes that make sense for your work and life schedule.
