WELCOME!

Welcome to Suffolk County Community College’s Culinary Arts & Hospitality Center. With your decision to join our Culinary Arts, Baking & Pastry, or Hotel & Resort Management program, you are entering an exciting and dynamic career. You have made a commitment to work hard to learn the skills necessary to become a chef, baker, manager or owner – our commitment is to provide you with the guidance you need to achieve your goals.

You will be exposed to culinary techniques, liberal arts, and management theories, along with professionalism and leadership skills that will help you become a future leader in the hospitality industry. During your program, you will have opportunities to explore many facets of the industry – in the kitchen, in the classroom, on internship, in clubs and activities, and beyond. We encourage you to make the most of your SCCC experience by being actively engaged and getting involved. Your success will be a direct result of your efforts -- we know that you can do it!

On behalf of the faculty and support team at SCCC, we wish you the best as you embark on your career journey.

Best,

Chef Laureen Gauthier
Program Director/ Academic Chair
Hospitality and Culinary Arts
NON-DISCRIMINATION NOTICE

Suffolk County Community College does not discriminate on the basis of race, color, religion, creed, sex, age, marital status, gender identity or expression, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, equal pay compensation-sex, national origin, military or veteran status, domestic violence victim status, criminal conviction or disability in its admissions, programs and activities, or employment. USING THIS HANDBOOK

The Culinary Arts & Hospitality Management Handbook is an official document provided to each student with explicit information on the policies, procedures and guidelines established by the Culinary Arts, Baking & Pastry, and Hotel & Resort Management programs and faculty. The information provided here supplements the policies and procedures in Suffolk County Community College’s Academic Catalog, Student Handbook, and Student Code of Conduct. Additional policies and procedures for each class will be outlined by your instructors in the course outline.

Each student is responsible for complying with the policies and procedures included in this handbook and the documents listed above.
The goal of the programs offered at the Culinary Arts and Hospitality Center is to prepare you to become a professional and a leader in the hospitality industry. The guidelines below will help prepare you for success in the program, as well as in your future endeavors. Classes in the Culinary and Hospitality Arts programs are intensive, involve the use of dangerous equipment, and provide food for the public; for this reason, attendance, uniform, conduct, and sanitation are particularly important. Students are expected to be on time, in uniform, and prepared. By participating in culinary, baking and hospitality courses, you are responsible for complying with the following:

Students are expected to:

1. Maintain the highest standard of professionalism while enrolled in the program and follow the SCCC Student Code of Conduct.
2. Comply with all applicable health codes with regard to personal appearance, hygiene, and sanitation & safety practices while enrolled in the program.
3. Follow the college attendance policy and attend every class session.
4. Follow the Culinary Arts & Hospitality Program uniform, tasting, and equipment standards described below, while enrolled in the program.

Consequences for failure to follow the guidelines above will be outlined on day one of each class. Offenses may include:

- Student barred from actively participating in that day’s lab instruction.
- Student receives 1 recorded absence and not allowed to actively participate in the day’s lab instruction.
- Student asked to leave class and meet with the Program Director.
- Consequences may escalate with repeat or severe offenses and may result in disciplinary action, hearings, suspension or dismissal as outlined in the SCCC Student Code of Conduct.
ATTENDANCE POLICY

The College expects that each student will exercise personal responsibility with regard to class attendance. All students are expected to attend every class session of each course for which they are registered. Students are responsible for all that transpires in class whether or not they are in attendance, even if absences are the result of late registration or add/drop activity at the beginning of a term as permitted by college policy. The College defines excessive absence or lateness as more than the equivalent of one week of class meetings during the semester. Excessive absence or lateness may lead to failure in, or removal from the course.

Any student who enters a class after the first meeting, regardless of the reason, is accountable for all course requirements including assignments and attendance.

A student may be required to drop or withdraw from a course when, in the judgment of the instructor, absences have been excessive. A student may also be withdrawn from a course by the Associate Dean of Student Services or the Student Conduct Board following a disciplinary hearing for violating the Student Code of Conduct as described in the student handbook.
SCCC’s Culinary, Baking & Pastry, and Hotel & Resort Management programs share the goal of preparing students to enter the food service and hospitality industry. The development of the student’s sense of taste is essential to achieving this goal; for this reason, this tasting policy applies to all classes and programs within the department.

Students are expected to taste all food products for identification and flavor; they are not required to swallow products. Students having specific food allergies, health issues, or religious or ethical convictions which interfere with this tasting policy may receive a waiver of this policy and be exempt from tasting specific products. To receive a waiver, students are required to meet with their instructor or the Program Director during the first week of class to discuss reasonable alternatives to tasting food products. Students are expected to take responsibility for managing their own health and safety, but are requested to report all serious food allergies or health issues to the Program Director, as well as to your course instructor. Tasting of alcoholic beverages must be conducted as outlined under the policy for Educational Tasting of Alcoholic Beverages.
EDUCATIONAL TASTING OF ALCOHOLIC BEVERAGES

Due to the importance of beverage programs in the hospitality industry, students will be expected to learn about the flavors, production, pairing, and management of alcoholic beverages. According to New York state law, all students 18 or older may taste alcoholic beverages in an educational setting under the supervision of an instructor. Students may seek a waiver from tasting as outlined under the Tasting Policy. For food and beverage pairing exercises, alternative learning opportunities will be made available. Learning the essential techniques for appropriate beverage tasting is as important as learning about the production, flavors, and pairing of the beverages. The following requirements are based on commonly accepted professional tasting guidelines:

- Tasting rules and procedures are to be reviewed prior to each tasting with presenters and participants.
- No students under the age of 18 may actively participate in tastings.
- Alcohol tastings must occur between the hours of 9 am and 6:30 pm.
- All alcohol tastings must include food (minimum of crackers or bread) and water.
- All pours are done by the instructor or his/her designee.
- Students must spit, unless the intent of the tasting involves food/wine interactions being examined as part of food and wine pairings. Students must taste from individual containers.
- In the case of food and wine pairings, the total amount of alcohol tasted per day is not to exceed 6 oz. of beer or wine, or 1 oz. of spirits.
- Students may be involved in a maximum of one tasting per day.
- The maximum size pour for beers or wines is 1 oz.
• All straight spirits must be tasted using sip sticks.
• During any tasting, a maximum of ten (10) wines, beers, or mixed cocktails may be tasted, and a maximum of five (5) straight spirits.

Under special circumstances, the Program Director may approve a request for a tasting to occur with a dinner after 6:30 pm.

Any SCCC-sponsored culinary arts student activity, club or event which incorporates the tasting of alcoholic beverages must occur within the Culinary Arts Center, be supervised by an SCCC instructor, adhere to the above guidelines, and be pre-approved by the Program Director. Tasting rules and procedures are to be reviewed prior to each tasting with presenters, as well as participants.

Violations
Students who violate these policies may be subject to appropriate disciplinary action under the college’s Drug and Alcohol Abuse Prevention Policy and the Student Code of Conduct. Consequences may include immediate removal from class, disciplinary proceedings or potential suspension or dismissal from the program.
GRADING POLICY

Semester grades are available to students on the student portal (MySCCC) at the close of each semester. The instructor’s analysis of each student’s academic achievement will be in accordance with the following grading system:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90%-100%</td>
</tr>
<tr>
<td>B+</td>
<td>85%-89%</td>
</tr>
<tr>
<td>B</td>
<td>80%-84%</td>
</tr>
<tr>
<td>C+</td>
<td>75%-79%</td>
</tr>
<tr>
<td>C</td>
<td>70%-74%</td>
</tr>
<tr>
<td>D+</td>
<td>65%-69%</td>
</tr>
<tr>
<td>D</td>
<td>60%-64%</td>
</tr>
<tr>
<td>F</td>
<td>59% or below</td>
</tr>
</tbody>
</table>

INC - INCOMPLETE
Students who are ill or are unable for other valid reasons to complete the semester’s work may at the discretion of the instructor receive an INC on their transcript. All work must be completed within the first four weeks of the subsequent semester; otherwise the INC will automatically become an F.

S - SATISFACTORY
This grade is given only for developmental courses, which do not satisfy degree requirements:
- MAT001
- RDG096, RDG098, RDG099
- ENG009, ENG010
- ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, ESL018,

‘S’ grades are not used in grade point average computations.

SA, SB, SC
These grades are used for MAT006, MAT007 and MAT009 only, which are developmental courses and do not satisfy degree requirements.
- SA = 90%-100%
- SB = 80%-89%
- SC = 70%-79%

‘S’ grades are not used in grade point average computations.

W - WITHDRAWAL
A student may withdraw from a course and receive a ‘W’ any time up to the mid-semester date of that semester or term. After the mid
semester date, the grade awarded shall be at the discretion of the instructor.

U - UNSATISFACTORY
This grade is given only for developmental courses, which do not satisfy degree requirements:
MAT001, MAT006, MAT007, MAT009, RDG096, RDG098, RDG099, ENG009, ENG010, ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, ESL018.
‘U’ grades are not used in grade point average computations.

R - REPEAT
This grade is given only for developmental courses, which do not satisfy degree requirements:
MAT001, MAT006, MAT007, MAT009, RDG096, RDG098, RDG099, ENG009, ENG010, ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, ESL018.
The ‘R’ grade indicates the need for a student to reregister for the same course in a subsequent semester, usually because the student while making progress in that course, has not yet completed all the course requirements. ‘R’ grades are not used in grade point average computations.

AUD - AUDIT
A student wishing to audit a course must register and pay for that course in accord with normal registration procedures. When a student audits a course, a grade of ‘AUD’ will be recorded and no academic credit will be given.
An auditor, by definition, is not required to take tests, write term papers or submit homework assignments, but is expected to participate in class to the extent deemed reasonable and necessary by the instructor. A student must inform the instructor at the first class meeting of his or her intention to take the course on an audit basis. Once this intention is stated, the student may not change from audit to credit status.
Because some courses may be inappropriate for auditing, students should consult with the appropriate academic administrator before registering.
NOTE: Audited courses are not eligible for financial aid.
GRADE CHANGES

Students who believe they have received an incorrect grade should discuss this issue with their instructor. If the instructor agrees with the student, he or she will submit a change of grade on the appropriate form to the Associate Dean of Academic Affairs. All faculty approved requests for grade changes must be made within two years of completion of the course. Changes submitted beyond two years require Executive Dean review.

A student may appeal an instructor’s decision not to change a grade through the Grade Grievance Procedure, which must be initiated within one year of the semester in which the student took the course. This four-step procedure, which is outlined in the student handbook, continues, if necessary, through ascending levels of administrative authority. If this grievance is not resolved by the faculty, academic chair, or associate dean levels, the student may present his or her case in writing to the Executive Dean. Within ten calendar days or receipt of the student’s written request, the Executive Dean will convene a committee to hear the grievance and to provide written recommendations. Students who have questions about the grade grievance process should consult with the appropriate departmental office or dean.

ACADEMIC STANDING

Students are considered to be in good academic standing unless they have been dismissed from full-time status or their matriculation status has been rescinded.
GRADE POINT AVERAGES

A system of points is used to assess the quality of each student’s work for a semester or more and is computed as a cumulative grade point average. Grades earned by students have a numerical quality value as follows:

*Quality Points Grade per Credit Hour*

<table>
<thead>
<tr>
<th>Grade</th>
<th>Quality Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>B+</td>
<td>3.5</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>C+</td>
<td>2.5</td>
</tr>
<tr>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>D+</td>
<td>1.5</td>
</tr>
<tr>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
</tbody>
</table>

A cumulative grade point average is computed by dividing the total number of quality points received by the number of credit hours earned.

For example, a student who has earned 30 credit hours and has received a total of 60 quality points has a cumulative grade point average of 2.0. The following factors must also be taken into consideration:

a. When transfer credits are granted for courses completed at another college no quality points or grades are awarded; hence, such credits do not affect the cumulative grade point average at SCCC.

b. When a course is repeated, the cumulative grade point average is computed using only the highest grade earned and credit hours received by the student for that course; all grades and credit hours for that course are retained on the transcript.
USE OF ELECTRONICS

Student use of cell phones, computers and other electronic devices during classes may be regulated according to course policies established by individual instructors. Misuse of such devices may subject students to provisions of the Student Code of Conduct relating to disruptive classroom behavior. Unsanctioned use of such devices may carry serious penalties. In accordance with applicable law, exceptions may apply to students with documented disabilities who may need to use a device as an approved accommodation.
STUDENTS WITH DISABILITIES

DISABILITY SERVICES

The Office of Disability Services provides services and accommodations to students with disabilities so they can participate in all aspects of college life. Requesting academic adjustments at the college level is the student’s responsibility and students are required to self-disclose a disability to the College in order to receive accommodations. Reasonable accommodations are adjustments to policies, practices and procedures that “level the playing field” for students with disabilities as long as such adjustments do not lessen academic or programmatic requirements. Accommodations are determined on a case-by-case basis based on both the student’s needs as described in their disability documentation and the technical academic standards of their course or program. Students who need accommodations must submit written documentation of their disability to their home campus’ Office of Disability Services.

Additional information about Disability Services can be found on our website."

LEARNING RESOURCES

The Academic Skills Center (ASC) offers students the opportunity to strengthen their academic skills and improve their rate of success in a relaxed, friendly atmosphere. The Center is open six days a week--Monday through Thursday--evenings as well as Saturdays. (Please check for specific hours here.) Students are encouraged to visit often and early in order to take advantage of the services that we offer.

The Academic Skills Center provides a variety of services. Students in the reading classes come to the ASC each week to work on a variety of assignments designed to supplement their classroom activities and to improve comprehension of college-level texts and materials. Students taking English as a Second Language in both credit and non-credit programs also spend time working in the ASC. They work on software programs that let them practice grammatical concepts and also use audio materials to help build listening skills. The Academic Skills Center also serves as an alternate testing location for students with testing accommodations.

FREE 45 minute one-on-one tutoring sessions and/or small group tutoring sessions are available in most subject areas. Students may make appointments in advance or use the ASC tutoring services on a walk-in basis. (We recommend making appointments since the schedule fills up quickly!)

Professional Assistants and tutors who work at the Academic Skills Center include college faculty and professionals in their respective fields.

All the services provided by the Academic Skills Center are available in one central location. Please visit us in the Montaukett Learning Resource Center, Room 224 or call us at 548-2594.

It is College and Department Policy to require all students to have an ID card present at all times when using the labs.

STUDENT INFORMATION & E-MAIL

Your SUNY Suffolk student e-mail is your only link for course information from the college, program and your instructor. **NO PERSONAL E-MAIL ADDRESSES WILL BE USED FOR ANY CORRESPONDENCE FROM YOUR INSTRUCTORS.**

Suffolk County Community College’s official Web-based student portal (MySCCC) and student email accounts are an official means of communication to all students enrolled in credit-bearing classes. All such students are required to activate their MySCCC portal and email accounts.

The College expects that students shall receive and read their electronic communications on a frequent and timely basis. Failure to do so shall not absolve the student from knowing of and complying with the contents of all electronic communications, some of which will be time-critical.

Students may choose to redirect their email. However, the College is not responsible for the handling of e-mail by outside vendors, nor can it provide technical support for setting up mail-forwarding configurations or use of external mail readers. If e-mail is lost as a result of forwarding, students are not absolved from the responsibilities associated with communications sent to their official College e-mail address.

CULINARY ARTS & HOSPITALITY INTERNSHIP/COOP COURSE

This course is offered to both Culinary and Hotel students who have completed their first semester of study. This course combines both practical skills and theoretical learning by applying what you learned in your classes to a real industry-based work environment. The internship experience helps develop the career skills needed for securing employment, develops professional social interactions on the job and promotes hands-on skill development through supervised training in a hospitality or culinary setting.

In addition to the student’s work schedule, they are required to attend a weekly class held on campus, log their hours worked, and keep a work journal documenting their internship experience.

Internships may be paid or unpaid, depending on the individual site and preference of the student; students are advised to consult with their instructor prior to accepting an unpaid internship. Students are required to accumulate 200 hours of combined work and lecture. All internships must be approved by Professor Wood prior to logging hours.

Students interested in taking their internship are required to attend one of the Internship Information Sessions conducted at the end of each semester. It is important to attend a session in the semester prior to your actual internship.

BAKING & PASTRY INTERNSHIP/ COOP COURSE

All Baking & Pastry Arts students will be assigned to work in the Baker’s Workshop as their Internship/Coop site. In the Baker’s Workshop, students will get hands-on experience producing recipes at a commercial volume for a popular retail bakeshop. A portfolio of recipes, photographs of baked goods and an internship journal will be required for successful completion of this course.

Because space is limited in the Baker’s Workshop, students will be advised regarding an appropriate term for Internship/Coop Course by the baking and pastry faculty after their new student orientation. Internships will be advised for the fall, spring or summer semesters based on space availability, prerequisite completion, and priority registration status. At the new student orientation, students will be notified of the process and deadline for notifying the faculty of any internship scheduling plans or concerns; after this time, faculty will determine the internship participants for the upcoming year in the Baker’s Workshop. Students will be notified of their Internship/Coop Course semester during their first week of CUL115 (Baking and Pastry Arts 1), so that they can plan and schedule accordingly.

Students in the Culinary Arts, Baking & Pastry, and Hospitality Programs are expected to behave and dress in an appropriate and professional manner. Uniform requirements for all programs are outlined below.

**Plan ahead. Uniforms are required at the start of the program.** The uniform ordering procedure is outlined below.

**Kitchen Uniform Policy**
A Professional Chef Uniform is required for all Culinary and Baking & Pastry students and is to be worn every class, including the first day of your culinary or baking lab class (CUL114 or CUL115). Uniforms are to be kept clean and free of wrinkles prior to the start of each class.

For sanitation reasons, the uniform is **not** to be worn from home but changed into prior to the start of each class. Restrooms and a locker room on the second floor are provided for changing and storing items.

**Kitchen Uniform Requirements:**
1. School Chef’s Hat/White
   **Baseball or other style hats are not acceptable**
2. School Chef Coat/White with SCCC College Logo and Embroidered Student Name
3. School Checkered Black & White Chef Pants
4. White Apron
5. Side Towel
6. Shoes - black and slip resistant. Black Crocs **are** permitted. Street shoes and sneakers are **not** permitted.
7. Socks are to be worn.

**Dining Room Service Uniform Policy**
The Dining Room Uniform is required for all Culinary, Baking & Pastry, and Hotel & Resort Management students and is to be worn from the first day of the Dining Room Management class (CUL116) for service and other college events. Uniforms are to be clean and kept free of wrinkles prior to the start of each class.

**Service Uniform Requirements:**
1. Long Sleeve White Button Collar Shirt with college logo PRESSED - no printed shirts are to be worn underneath
3. Black Pants - PRESSSED & HEMMED dress pants (no leggings)
4. Black Shoes - POLISHED
5. Black Socks
6. Black Apron - CLEAN and PRESSSED

Hotel and Resort Management Uniform
A Management Uniform is required for all Hotel & Resort Management students and is to be worn for HRM class visits and events. This uniform will be reviewed by the instructor in HRM105 and must be purchased by the end of the first semester. Uniforms are to be kept free of wrinkles and clean prior to the start of each class.

Management Uniform Requirements:
1. Royal blue blazer
2. Royal blue dress shirt
3. Royal blue polo shirt
4. Grey dress slacks
5. Men’s royal blue and black dress tie OR Women’s royal blue and black scarf
6. Black dress shoes. Women may wear fully-enclosed black dress heel no higher than 2 inches. Sneakers and ballet shoes are prohibited.

Grooming
1. Hair must be kept under the hat. Hair which cannot fit under the hat and which over hangs the collar of the chef coat needs to be contained in a student–supplied hair net and the authorized chef hat.
2. Male students are strongly encouraged to be clean-shaven due to sanitation concerns. If a student has facial hair, it must kept neat and trimmed. Beard nets may be required at the instructor’s discretion.
3. One simple band ring is allowed. Other styles of rings and other hand/wrist jewelry are NOT to be worn in class.
4. Only single SMALL stud earrings or facial piercings are allowed.
5. Necklaces are strongly discouraged. If worn, they must be kept inside the chef coat at all times.
6. Nails must be kept clean and trimmed to the tip of the finger. Nail polish and artificial nails are not permitted.
7. Chewing gum is not permitted.
8. Uniforms are to be kept clean and neat.
9. Perfumes and colognes should not be worn or used minimally, as they impact the ability to taste.

Students are NOT allowed to borrow uniforms from the office uniform rack. These uniforms are for sizing only.

Students may purchase additional chef hats, aprons, Scantron test forms, and other supplies from the 2nd floor vending machine as supply permits. Machines accept cash only; ATM machines are available locally.

KNIFE KITS, TEXTBOOKS, AND SUPPLIES

Knife Kits, textbooks and other supplies can be purchased through the SCCC Eastern Campus Bookstore.

Required books and knife kits are to be purchased prior to your first class and brought with you to each class unless otherwise instructed by your instructor.

The knife kit is a set of professional-quality knives and baking supplies provided by the Mercer Knife Company, specifically chosen by our faculty and offered as a set at a discounted price. The complete culinary tool kit is used for both baking and culinary lab classes. Hotel and Resort Management students purchase a smaller tool kit which is also available from the Eastern Campus Bookstore.

See attached list of required tools should you choose to bring your own set of tools. If you decide to purchase your own tools, every item on the list must be purchased.

Students are strongly encouraged to label their textbooks, tool kit and its contents, in order to reduce the risk of theft and lost kits and components.

- The kit is available for purchase at the Eastern Campus Bookstore only.
- The price of the kit is approximately $301.00
- Baking & Pastry students will need a Supplemental Kit for CUL218 Baking III
- The price of the supplemental kit is approximately $170.00
- You may purchase these supplies from an outside vendor. See the attached list of items that you will need. Every item on the list must be purchased.
- If you are receiving financial aid, you should plan accordingly to cover your supplies. In the Bookstore, please let the cashier know.

KITCHEN SAFETY

Let your instructor know immediately if you get cut, burned or experience any other medical emergency while in the kitchen.

Kitchen and Dining Room Best Practices:
- Learn proper handwashing and other sanitation practices. Use them.
- Be alert and always pay close attention to what you’re doing. Distractions and rushing can lead to cuts, burns and falls. Keep your knives sharp. A dull knife is dangerous because you apply more pressure.
- Pass knives to another person by the handle.
- Keep knives tight to your body when walking and alert others when you are nearby.
- Learn common kitchen communication phrases, “Hot”, “Behind”, “Sharp”, “Corner”, etc. and speak them loudly.
- Keep your apron strings, necklaces, hair, or other dangling objects secured.
- Always wear your chef’s hat properly (all hair tucked in) and a hairnet if required.
- Do not wear jewelry or other objects that can get tangled or dropped into food.
- Keep oven mitts or pads nearby and use them. Never use a side towel to handle hot items.
- Turn pot handles away from the front of the stove.
- Use proper lifting techniques and get help when needed.
- Secure cutting boards with a non-slip mat.
- If you do not know how to use a piece of equipment, ask for a lesson. Kitchen equipment can be dangerous.
- Respect tools and equipment that belongs to other students, the instructor or the school.
- Keep all work areas clean. Clean up spills immediately to help prevent slips and falls. Alert others to the danger until resolved.
- If you smoke, remove your jacket; wash your hands and rinse your mouth upon returning to the kitchen or dining room.
CULINARY ARTS & HOSPITALITY PROGRAM STUDENT BUILDING INFORMATION

LOCKER ROOM

- Please use the restrooms to change into your chef uniform prior to class.
- A Locker Room is located on the 2nd floor across from the student study area.
- Bring your own lock to secure your items. Do not bring excess items into the kitchens as they may create a tripping hazard.
- All locks must be removed after classes. Any lock that remains overnight will be cut off and any items in the locker will be removed.
- Do not leave valuables in lockers. The College accepts no responsibility for any valuables left in the lockers (locked or unlocked) or other campus locations.

PARKING

- Park in white lined parking spaces only.
- The parking spots marked with green lines parking area are for short term (1 hour) municipal parking for both student and business customers. You will receive a ticket should you exceed the 1-hour parking limit.
- Do not park in the parking spaces directly in front of the dumpster or next to the loading dock area. They must remain open for deliveries and garbage/recycling pick-up.
- The College is not responsible for any items left or stolen from your vehicle.
- The College is not responsible for any damage to your vehicle. Riverhead Town Police must be notified.
- If you lock your keys in your car and you require assistance, call the Riverhead Town police at (631) 727-4500. DO NOT CALL 911.
SMOKING AREAS

- The Culinary Arts & Hospitality Center is a non-smoking building, in accordance with the College’s Tobacco-Free Policy.
- Designated outside smoking areas are under the Gazebo. All cigarette butts must be placed in the proper outside receptacle. Keeping the outside area clean is everyone’s responsibility.
- If you smoke, remove your uniform jacket. Wash your hands and rinse your mouth upon return.

FOOD & BEVERAGES

- You may bring food and beverages into the building. There is no refrigeration.
- Please dispose of trash in the trash receptacles located throughout the building. 
  Keeping the building clean is everyone’s responsibility.
- Designated eating areas include the 2nd floor student study, the outside Gazebo area and the Baker’s Workshop. The hours for purchasing baked goods at the Bakers Workshop are Monday through Friday from 8:00 am to 3:00 pm. As a student, you receive a 10% off discount on pastries at the Baker’s Workshop.
- Food items prepared during class are not allowed to be taken home.
- A beverage and snack vending machine is located on the 2nd floor. A small supply vending machine with hats, aprons, Scantron answer sheets and other supplies is located on the 2nd floor as well.
- No food or beverage is allowed in the Multi-Purpose rooms 135 A, B, C & D
- Each instructor will review the specific food and beverage policy for their classroom in their course outline.

CULINARY ARTS & HOSPITALITY SCHOLARSHIPS

There are many scholarships available to SCCC students and some specific to culinary and hospitality fields. These awards can go a long way in helping make your college experience more affordable. Everyone is encouraged to apply! Scholarship information is located on the SCCC website on the Scholarships and Grants page at https://sunysuffolk.academicworks.com/

- Please submit a separate completed application form for each of the scholarships or awards for which you are applying.
- You may apply for more than one award.
- Be aware of the Award deadlines and be sure to apply on time!
Each semester the Suffolk County Community College Culinary Arts Program caters a variety of functions including luncheons, dinners, ACF meetings and special events. All full and part-time students are required to work 1 event in each academic year while enrolled in one of our programs.

A list of current school events, including details related to times, places, a description of the work and dress code are available in the school office, K114. Sign-up sheets are kept in the pink “Special Event Binder”. Students can also meet their event requirement by working in the Baker’s Workshop. Sign-up sheets for the Baker’s Workshop are located in the same binder.

All new and continuing students are required to complete 1 event per year based on the following:

- Students with last name starting with **A through K** will be required to work 1 event during the Fall 2017 Semester.

- Students with last name starting with **L through Z** will be required to work 1 event during the Spring 2018 Semester.

**Students are not allowed to make-up an event in a subsequent semester.**

- Students will receive a 5-point letter for completion of their event. The 5-point letter may be used towards any culinary class test other than a mid-term, final or class project. Letters will be issued at the end of the semester. Only one 5-point letter may be used in each course. No 5-point letters may be used in Internship- CUL240 / HRM240 or Capstone CUL250 / HRM250 courses.

- All events will be on a first come sign-up basis. Signing up early will increase the student’s chances of working an event of their choice.
• Work responsibilities will be divided between Front of the House and Back of the House. Positions will be assigned at the event by the Lead Chef Instructor or front of house Instructor.

STUDENTS ARE EXPECTED TO FOLLOW STANDARD GROOMING AND UNIFORM (KITCHEN OR DINING ROOM) EXPECTATIONS FOR ALL EVENTS.

• Failure to work or complete an event or if a student is a no-show to an event will result in the following: 10-Points will be deducted from the student’s final course average in their course that has the highest CUL course number up to and including CUL 228. For example: CUL116 would be higher than CUL 114 or CUL 115 and a final course average of 87 (normally a B+) would be dropped to a 77 average, (or a C+)

• We encourage all Culinary Arts and Hospitality Program students to work additional events during the Fall and Spring semesters. There are no alphabetical restrictions for students wishing to work extra events. Students will receive a 5-Point letter for each completed event.

• Students are expected to report to their scheduled event on time, in uniform, and be ready to work and perform all necessary job duties in order to make the event a success. This includes assisting until the event has ended and clean-up is complete.

I have read, understand and will follow the above rules.
