

Test Results and Feedback Options

Depending on how you set up your **Test Results and Feedback to Students** options it will determine when and what your students will be able to see regarding how they did on a Blackboard test. Before you set your options, consider the purpose of the assessment and how you want your students to use the results.

1. Navigate to the Test Options of the test by clicking on the down arrow that appears when you hover the cursor over the test's name and selecting **Edit the Test Options**.
2. Scroll down to the **Show Test Results and Feedback to Students** area
3. You have two **Rules** to utilize allowing you to show your show your students some results and feedback information initially and then show them more at a later date.

SHOW TEST RESULTS AND FEEDBACK TO STUDENTS

Test results and feedback are available to students after they complete a test. Set up to two rules to show results and feedback. Rules occur based on the events selected. Each rule specifies when and what to show students; such as scores, answers, and feedback for each question.

When (i)	Score per Question (i)	Answers (i)	Feedback (i)	Show Incorrect Questions (i)
After Submission	<input checked="" type="checkbox"/>	<input type="checkbox"/> All Answers <input type="checkbox"/> Correct <input type="checkbox"/> Submitted	<input type="checkbox"/>	<input type="checkbox"/>
---Choose---	<input type="checkbox"/>	<input type="checkbox"/> All Answers <input type="checkbox"/> Correct <input type="checkbox"/> Submitted	<input type="checkbox"/>	<input type="checkbox"/>

4. In the **When** dropdown select one/or two:
 - a. **After Submission** – after the student submits the test (first rule only)
 - b. **One-time View** – only lets them see it once (first rule only)
 - a. **On Specific Date** – you select the date
 - b. **After Due Date** – if you set a Due Date
 - c. **After Availability End Date** – if you set an Availability End Date
 - d. **After Attempts are graded** – after all tests are graded
5. The **Results and Feedback** options you can select:
 - a. **Score per Questions** – Show the points the student earned on

each question

- b. **All Answers** - Shows all possible answers to select from on multiple choice like questions
- c. **Correct Answers** - Shows the correct answer for each question
- d. **Submitted Answers** - Shows the student's selected or submitted answer
- e. **Feedback** - Shows the instructor feedback for the test
- f. **Show Incorrect Questions** - Marks the questions the student got wrong
