

# SPAIN & PORTUGAL Study Abroad Program

July 3 - 27, 2019

**Suffolk**  
COLLEGE OF COMMUNITY COLLEGE

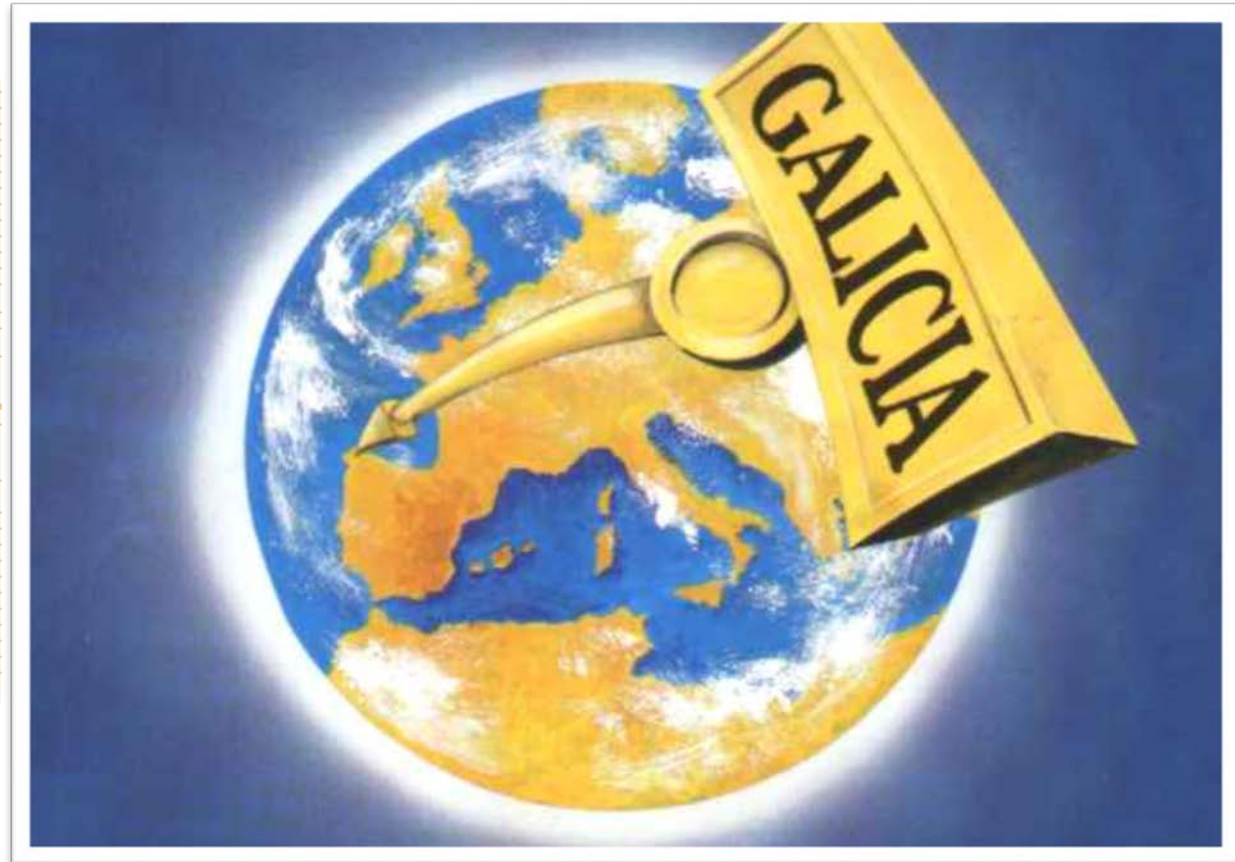

**Suffolk**  
COUNTY COMMUNITY COLLEGE  
Study Abroad Program

# Location: Universidad de Santiago, Santiago de Compostela, Spain

in Northwestern Spain's region of Galicia.

**Santiago de Compostela** is a profoundly historical city, declared **Patrimony of Humanity** by UNESCO in 1985, which throughout the centuries has received and given shelter to the many thousands of pilgrims who have come to the tomb of the Apostle St. James, following the **Pilgrim's Way**.

Santiago has one of Spain's **most beautiful monumental** areas, and is, through tradition and personality, an open city, famous for its hospitality; a city which strives to display its history and its legends, and to share the beauty and fascination of its streets and squares. A city built to be enjoyed, peaceful, relaxed, and safe.

Santiago's attraction lies both in its **cultural and historical heritage**, as well as in the **hustle and bustle of its daily life** and the vitality of its people. The streets are filled with more than 35,000 students enrolled in a University with more than 500 years of history. These students also take part in the **diverse cultural activities** which take place on and off campus: film festivals, conferences, plays, talks, meetings, and concerts.

# Our program

Spain 2019 will offer you the opportunity to acquire better Spanish language skills by interacting with Spaniards and other international fellow students by practicing on-site what they learn every day in class. This total language/cultural experience is enhanced by exploring Spain's history, geography, art, literature and film in the Cultural Studies courses or Writing for Travel course.

## *Why should I participate in this program?*

Study Abroad programs promote intellectual discovery and social awareness. Experiencing a new way of living and new cultural adventure in an educational program will transform your knowledge of the world. Suffolk County Community College is committed to maintaining high educational standards, to fostering and inspiring student success, and to creating diverse opportunities for life-long learning.

Spain 2019 will offer our students the opportunity to acquire better Spanish language skills by interacting with Spaniards and other international fellow students by practicing on-site what they learn every day in class.

**This total language/cultural experience** is enhanced by exploring Spain's history, geography, art, literature and film in the non-language courses. This program is an introduction to Spain, its culture, its people, their way of life.

You will broaden your horizons by experiencing a new country,  
a new culture and a new language.

A photograph of a group of people in a classical building with large stone columns. In the foreground, a young woman with long brown hair and sunglasses is smiling and looking towards the camera. She is wearing a blue and white striped cardigan over a white top. In the background, a young man with sunglasses and a light blue shirt is looking to the side, and a young woman with her hair in a bun is partially visible. A large, light green speech bubble is overlaid on the left side of the image, containing promotional text.
