

the adoption of Resolution No. 71.68 was regularly moved, seconded, and carried unanimously;

WHEREAS, the current collective bargaining agreements with the Faculty Association and the Guild of Administrative Officers specify procedures for placement of new faculty members on the existing salary schedule, and

WHEREAS, these same agreements do not provide procedures for the placement of exempt employees who elect to return to classroom teaching on a 10-month assignment, and

WHEREAS, it is necessary to develop such procedures in order to establish a compensation rate for exempt officers who are transferring to either the Faculty Association or the Guild of Administrative Officers, therefore, be it

RESOLVED, That the salary of exempt officers who transfer to either the Faculty Association or the Guild of Administrative Officers shall be determined according to their years of service at Suffolk Community College and relevant prior educational service, and be it further

RESOLVED, That where the exempt officer was employed prior to the beginning of negotiations his 10-month equivalent salary shall be calculated by reducing his 1969-70 salary by one-seventh and adjusting that base salary according to the provisions of the contracts with the Faculty Association and the Guild of Administrative Officers, and be it further

RESOLVED, That the above method shall result in placement of the faculty salary scale in that step which the exempt officer would have held had he been a 10-month faculty member prior to negotiations.
